Profile

I am a Front-end developer with proven experience at Snapp and Digikala, two big Iranian companies, for creating and maintaining a reusable codebase. I possess a demonstrated academic background in computer science from top universities in Iran. I am fast at learning new things and eager to find solutions to new problems. Passionate about working on new challenges with new people. I speak fluent English and can work with international team members

Experience

Front-end Developer, DigiExpress; Tehran, Iran — Aug 2021- Present

DigiExpress, a part of Digikala Group, launched its logistics & supply chain management activities with the vision of enhancing the quality of customers' experience in online logistics services. We have developed a project from scratch using Mobx and React.

Research Assistance, Sharif University; Tehran, Iran — 2020 - Present

Part time, I do research in the field of algorithms. We provide theoretically faster algorithms in our lab.

Front-end Developer, Snapp Food; Tehran, Iran — Aug 2019- Aug 2021

My front-end journey began with Snapp Food Team. They are Iran's leading food delivery service with over 2000 restaurants. The mobile app is built with React/Redux and Saga for async requests. The website is built with Next.js / Redux-toolkit / styled-components and TypeScript.

Research Assistance, Amirkabir University; Tehran, Iran — 2016-2019

I focused on my thesis based on social network algorithms for blocking rumor spreading.

Teacher Assistance, Amirkabir University; Tehran, Iran — 2014-2015

I was a teacher assistant for my bachelor's classes, including Data Structure and Algorithm.

Education

Sharif University; Tehran, Iran — PhD degree-Present

Rank 1st in universities in Iran.

Amirkabir University; Tehran, Iran — Master's degree-2019

Rank 2nd in universities in Iran.

Amirkabir University; Tehran, Iran — Bachelor's degree-2016

Rank 2nd in universities in Iran.

Skills

Programming Languages : JavaScript, CSS, HTML, TypeScript, C++

Libraries : React, Redux, Mobx, Styled-Component, SASS

Frameworks : Node.js

Testing : Jest

Design Tools: Figma

Languages

Persian: Native

English: Fluent

French: Intermediate
